

ANDRÉ LISBOA

UI/UX Designer

PROFILE

Hi, my name is André Lisboa and I've been working as a UI/UX designer since 2015. Throughout my professional journey, I've worked in several companies focusing on digital products. I provide all the necessary demands of a UI designer, with emphasis on design systems, handoff for development, structuring of interfaces, as well as visual design.

In addition, I have been working as a UI/UX teacher on the Alura platform since 2018. I have launched 19 courses and over 15,000 students have accessed them in the last 6 months.

EXPERIENCE

 **UI/UX Teacher**
Alura Online Courses Since 2018

Since 2018, I have been teaching UI design at the Alura course school. I have launched 19 courses with themes that explore the world of UI and UX.

 **UI Designer**
Fluency Academy 2022-2023

Between 2022 and 2023, I worked at Fluency as a Senior UI Designer. My goal was to evolve the brand's products with UI design.

 **UI Designer**
Afinz Bank 2021-2022

My main objective with the company was the construction of the design system, along with the creation of flows and functionalities.

 **UI/UX Designer**
Super Revendedores 2018-2020

At Super Revendedores, I was responsible for the entire creation and evolution of the platform in terms of design. I was responsible for creating new journeys and flows for the system, which existed on the website, iOS, and Android.

 **UI/UX Designer**
QX3 2016-2018

My first experience as a graduated UI designer, I was responsible for the evolution of the Sunset corporate events application.
